* Free tickets can be used as you see fit. Give them to employees, friends, family, followers, even SOAP developers. We encourage contests, give aways, and especially scholarships. If you know someone who would benefit from being at REST Fest or someone who would make REST Fest even more amazing (like that Roy Fielding guy) send them along!

Please be sure to select (and register) your designated attendee 15 days (or so) in advance, so we can sell any remaining seats not yet filled. We'd be grateful, thanks!
